## EMI-1

To obtain the certification of EMI Practitioner level 1 and appear on our international directory, 10 hours of supervision are require (+ 3 if you have received the training online. These additional hours must be dedicated to receive one treatment (1.5 hours) with a certified practitioner and a supervision with a client (1.5 hours) from a certified supervisor.

.....

## EMI-2

To obtain the certification of EMI Practitioner level 2, 6 additional hours of supervision after level 1 are require (+ 3 if you have received the training online. These additional hours must be dedicated to receive one treatment EMI resource (1.5 hours) with a certified practitioner and a supervision with a client (1.5 hours) on an EMI resource from a certified supervisor.

.....

## IS THE SUPERVISION COMPULSORY?

No. If you don't wish to be recognized by EMI Institute as a certified practitioner and appear on our directory, you don't have to do the supervision. However, we recommend highly that you do.
