# IMPACT THERAPY

program

Where therapists, teachers,  
professionals and everyone  
who wants to continue  
growing find  
solution, inspiration  
and passion!

**90 HOURS**

Accredited by OPQ

**29 HOURS**

available in English,  
accredited by psychologists, social workers,  
family therapists, counselors and nurses  
(in Quebec)

**NO LIMIT DATE** to complete your certification.

## FINAL CERTIFICATION:

When all the courses have been completed, the applicant must send us the proof that each course in the program has been completed (certificates of attendance). From there, the applicant will receive an exam which will present a case study, and a revisiting of all the trainings. We allow 3 months to complete it.

THE SECOND PHASE OF THE GRADUATION INVOLVES TWO OPTIONS:

**1**

Submit five original Impact tools created and experienced by the applicant. It should cover the description of each tool; in which context it was used and the results obtained. About 10 pages, double spaced.

**2**

Offer a workshop to a minimum of 5 participants, including at least one of the main theories of Impact Therapy. The applicant must send a good three weeks in advance the content of his presentation for approbation and send an evaluation from each participant. The presentation must be offered for free to the participants.
