

FIND MISTER SMILEY

In this picture, Mr. Smiley represents your passions, your dreams and your ambitions.

Over time, we sometimes let ourselves be overwhelmed by problems and annoyances, and we lose track of what made us like something in the first place. We forget the source of our enjoyment of life: our inner fire is smothered by our troubles and our passions are overtaken by our obligations. However, if you look carefully, Mr. Smiley is just as cheerful as ever. He hasn't changed one iota. If you take a little time to look, you too can reconnect with your passions. Don't let inconvenience or difficulties get in the way of your dreams and ambitions.
